

NCCCO Training Course Descriptions

Mobile Crane Written Exam Prep Course

This course prepares candidates for the NCCCO written examinations for mobile cranes. The course covers topics such as: operations, safety, load charts and crane and rigging knowledge. Beginner candidates should take the full 4 day preparation course prior to taking the NCCCO written exam. Recertification candidates should take the 2 day refresher course prior to taking the exam. The two day refresher course takes place during the last two days of the four day course.

NCCCO Four day written exam course & written exam: \$1325.00 (Exam fee included) Includes one specialty
NCCCO Two day written exam refresher & written exam: \$995.00 (Core Exam fee included)*Specialty exam fees additional
NCCCO One day written exam refresher & written exam: \$600.00 (Core Exam fee included) *Specialty exam fees additional

Practical Hands-on Mobile Crane Training

This course prepares candidates for the NCCCO practical examinations for mobile cranes. The course includes crane setup, crane operation, crane controls, rigging and reeving. The course is designed to train beginner candidates in proper crane operation and safety. The course includes taking the small and large hydraulic examinations on the final day. Lattice boom crane instruction is available at hourly or daily rates. Maximum 6 students.

NCCCO Hourly or daily instruction and lattice instruction: \$150.00/hr or \$1000.00/day

Practical Exams

Practical NCCCO crane examinations for mobile crane applicants are available at our test facility or at your location. Separate exams are performed for each type of crane which the applicant seeks certification. Crane types include small hydraulic, large hydraulic and lattice boom.

NCCCO Exam fee per exam: \$450.00

Written Exams

Written core exam without attending a class is \$375.00 includes one specialty.

**** Classes and exams are a first come first serve basis and those attending classes will receive priority for the exam schedule over those not attending classes.
